Sensational Kid! CAMP is: a fun-filled occupational & music therapy based sensory program for children who are experiencing challenges within their environment.

Activities:

Campers will make friends, practice taking turns, make arts and crafts, and play their choice of percussion instruments. Sensory exploration, body awareness games, sensory techniques to assist with regulation, attention and modulation tasks. Rhythm and tempo to facilitate fine and gross motor movement. Skill building through singing, dancing, and listening to music as well as having fun with the gym equipment and obstacle course, all builds self-esteem through FUN experiences in a supportive environment.

Bonus!! Complimentary CKFTO Count Me In® puppet show for all siblings' schools!
